PLAINTIFF'S RESOLUTION STATUS REPORT

Plaintiff, by and through the undersigned counsel and pursuant to Initial Case Management Order (Doc. # 26) and the Court's Order entered on September 19, 2022 (Doc. #45), report to the Court that Plaintiff submitted an offer of settlement. However, Defendant chose not to make a counter-offer pursuant to the court's order. Defendant instead threatened to sue Plaintiff personally if he did not dismiss the case.[1]

Plaintiff believes that ADR could result in a resolution of this case, but Defendants have indicated they disagree.

Defendants are not required to try to resolve this matter- it is their right. But Plaintiff did not want to place their name on a filing which they felt was misleading with regards to compliance with a previous order of the court.

---

[1] Any lawsuit Defendant could bring against Plaintiff for bringing this lawsuit would result in a violation of the Tennessee Public Participation Act, T.C.A. 20-17-101 et. seq. As such, not only was the threat not a "counter-offer" as the court directed; it was an illegal threat.

Respectfully submitted,
